Grow Ohio Incentive Program

What is the Grow Ohio Incentive Program?

We created the Grow Ohio Incentive Program to help spur job creation in the state by offering new employers* one of the following premium discount options.

1. The opportunity to join a group-experience-rating program and receive a premium discount . potentially up to 53 percent . effective on their first day of coverage
2. An automatic 25-percent discount on their workersqcompensation premiums
Whichever option you choose, your business can receive a significant discount on workersqcompensation costs at a critical time . while you are getting started.

The group-experience-rating option

Grow Ohio gives your business the option to apply for group rating immediately and, upon acceptance, receive a premium discount possibly up to 53 percent, which is the current maximum allowable group discount.

If youqe interested in joining a group:

Select a sponsoring organization to place you into their group-rating program.

Make sure you ask sponsoring organizations about any fees for group participation. Sponsoring organizations may charge employers for the additional services and information they provide.
